**I give my permission for my son to ride the Gwinnett County School bus from Lanier Middle School to Lanier High School each Tuesday and Thursday after school for the purpose of weight training. I understand the bus will leave promptly after school every Tuesday and Thursday with the exception of school holidays and early release day when there will be no weight training. After weight training, players are to be picked-up by 6:15PM -No transportation home will be provided. I understand that my son must follow school board policy concerning behavior on the bus.
